Incorrect Uniform - Procedure

Students who present to the College in incorrect uniform and are unable or unwilling to rectify uniform issues will require parent/caregiver support to address their uniform. Accordingly, parents/caregivers will be called upon to collect their son/daughter and take the necessary action to ensure the concern is rectified before returning to the College. Students are welcome to return to the College as soon as the issue is addressed, regardless of the time of the school day.

The College asks that families work to ensure students are organised, including a contingency plan for wet weather. The College will not accept a note from a parent/caregiver to excuse incorrect uniform for the day. It is important that we are clear and consistent in our expectations.

If there is a genuine need for additional support in relation to uniform, please contact your Vertical Pastoral Care Teacher or Pastoral Leader.
