

Special Concessions

Special Concessions are offered to families experiencing financial hardship.

As the College has limited funds set aside for Special Concessions, families will be assessed and prioritised per their circumstances.

All concessions need to be applied for annually and all current supporting documentation must be attached.

Any concession forms with missing documents will not be assessed until they are complete.

We require the following documents: *You can use this as a tick off list to ensure all the relevant information is submitted.*

Supporting Documentation:

- Most recent payslips x 2
- Centrelink Income Statement
- Family Tax Benefit Assessment
- Child Support Agency Assessment
- Rental Agreement
- Loan statements/documentation for all loans, clearly stipulating minimum repayments
- Council Rate Charges
- Body Corporate charges
- House Insurance charges
- Income Tax Returns
- Any other documentation the Business Manager deems as being relevant.

(You may be asked to supply extra documentation if required)

Concessions do not automatically roll over from year to year, they must be reapplied for.
